

Professional art-community

Professional sites for various representatives of all directions from visual art

Wonderlex – is a professional community for painters, designers, architects, sculptors and other representatives of visual art, and also galleries and art-exhibitions. Profiles here serve as personal sites, created on a base of samples and (web-sites) located on personal users domains (for example: www.tashaoro.com) Authors content (works rendering) and users news automatically will be connected to Wonderlex, where the content keepers will be a kind of unique administrators and moderators of their comments.

Personal site presentation

Personal site is a full-featured internet project, for creation of what all modern tendencies of web designing and programming and the innovative approach for further development and website promotion is used. First of all we take into consideration the line requirements of a site, we make accent on qualified presentation of works and art activity of the author.

The screenshot shows the homepage of Natasha Egorova's website. At the top, there is a dark header with the author's name in white. Below it is a navigation bar with links like 'English version', 'Выход в сеть', 'Вход в сеть', 'Обо мне', 'Услуги', 'Каталог', 'Контакты', 'Блог', 'События', and 'Войти на сайт'. The main content area features a large image of a painting, followed by a section titled 'Последние работы' (Recent works) displaying several thumbnail images with captions such as 'Пейзажи 8', 'Из серии Nature', etc. At the bottom, there is a section for 'События' (Events) with two items: 'Сублимированный продукт реальности: промо-коды и раздачи' and 'Портретный ИТЛ: глянцевое современное?'. The footer contains social media links for 'АРХИДЕЯ', 'арифут ГАЛЕРЕЯ', 'FARVATER', 'iCenter', and 'КОФЕГУТ'.

This screenshot shows a portfolio page from the same website. It has a similar header and navigation bar. The main content is a grid of images showing various artworks. On the right side, there is a sidebar with contact information ('Контакты') including a phone number (+38 (044) 250 67 87), email ('info@natashegorova.com'), and address ('ул. Михайловская, 25б, офіс 43'). Below the contact info is a 'Слайдшоу работ' (Work slider) and a section for 'Предыдущая работа' (Previous work). The footer includes a comment section with one entry from 'Ольга Виноградская' dated 16.02.2012, 12:29, and links for 'Платежное соглашение' and 'Обратная связь'.

Site consists of such master partitions:

About us

author's presentations with
ability to make them as off-line
and on-line

Contact information

Two language versions

Basically presented
in two language versions
(Russian, English)

All site sections could be renamed, hidden, changed the wallpaper/color, usege only needed quantity of language versions. All this actions are allowed in administrative panel. Such changes give our site individuality, underline your personality and art in WEB.

Our site could be connected to social web. This function also could be blocked by owner at will, if there is no connection to social webs.

Site properties are:

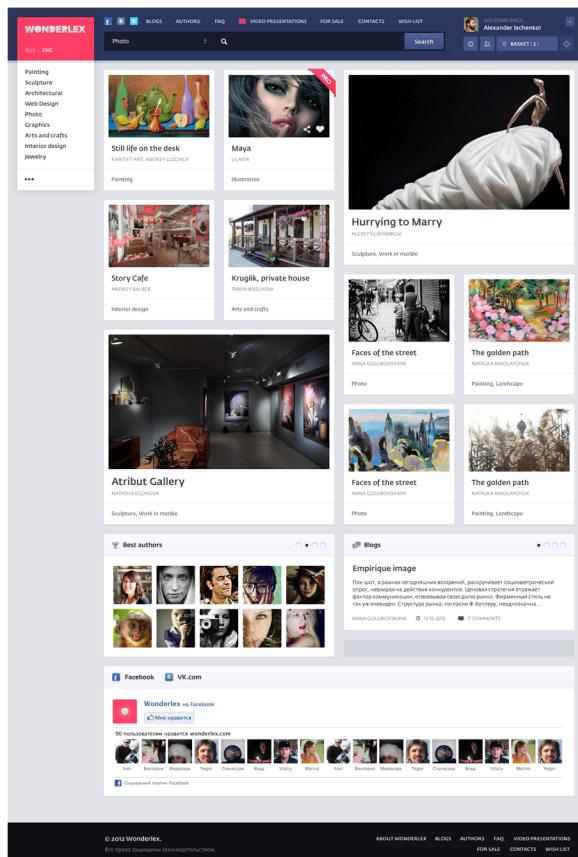

- Obtaining such site, owner receive finished internet product (design, software component, administrative panel, hosting, service-technical support). No any facilities needed. Fill site with content and you are on-line!
- Any innovative implementations to all site keepers receive automatically and without additional payment (design modernization in correspondence to a new trends, the enlargement of language versions, functional site improvement and etc....)
- Site is integrated to www.wonderlex.com portal, but also could be closely connected to the portal (under site keeper willing). Here we have the mirroring to the site in authors profile, with fully content integration. However only the site owner is the administrator of his profile.

Main task

The main Wonderlex task is- creation of eco-system, were representatives could find partners, collectors, together deliver a project inspired by new forms of visual art. Regular updates, as in community, as in web-site are present. We will suggest you various services, which will make you to get rid of any problems. We want you being devoted to art and other is – Wonderlex!

Now Wonderlex is in test. Its start is targeted in February 2013.

Personal sites you could order by filling the form on www.wonderlex.com page.
